## JABATAN ALAM SEKITAR PULAU PINANG BORANG PEMBERITAHUAN MAKLUMAT ASAS PREMIS

### Soalan yang sering ditanya Frequently asked Question (FAQ)

1. Could anyone sign the form and could it submitted in handwritten instead of typed?

Both typed or handwritten form are accepted as long as the director or managers or company secretary whose name listed in Form 49 ROC put his signature on it. For Single owner and enterprise , the owner could put his signature on the fprm.

2. All document submitted must be certified true copy by the Company Secretary ?

Yes, all particular in the form of ROC form of the owner must be certify by its company secretary. However document obtained by online mean (<https://www.ssm-einfo.my>) can be accepted without company secretary signature , provided the soft copy of the document is attached together in the form of compact disc (CD or DVD) during the submissions. The PDF format have enough security feature to verify its authentication status.

3. Why DoE insist on original Land Search from land office?

Only original result from Official Search from land office accepted in Court Of Law as Prima Facie evidence. Under Environmental Quality Act 1974 the landlord is equally liable as the occupier of the land . Official search document could be obtain from State Department of Land & Mines Office (PTG) Level 22, Komtar. Private search (Carian Persendirian) will not be accepted.

4. What is Malaysia Standard Industrial Classification (MSIC Code)?

MSIC is standard code assign to a particular industrial activity. It have 5 digit code. It will be used to assign file number to the applicant. Further information with regard to MSIC could be obtain in Department Of Statistics Websites. (<http://msic.stats.gov.my>). For your convenience Similar code were used during GST/SST registrations process with Royal Malaysian Custom Department: [Kod Industry utama]

5. DoE is asking about MIDA Licence and Local Authority planning status & Licenses , why ?

MIDA is the competent authority dealing with investment and industrial undertaking while all building and structure must comply with Local Authority Planning Scheme and all business premises must be licensed by the Local Authority.
